Re: Tesco 562 Rotherhithe Street SE16 5EX

Dear Sir/Madam,

Police are in possession of a new premises application from the above premise. The premise is a retail premises (supermarket) selling a range of goods and services, which includes the sale of alcohol for consumption off the premises. The premises is located in a residential area and the hours requested excel those recommended in the Southwark statement of licensing policy for such a venue. The hours requested in the application are as follows;

Late night refreshments
Mon – Sun - 2300hrs to 0000hrs

Supply of alcohol
Mon-Sun- 0600hrs to 0000hrs

Open to the public
Mon-Sun- 0600hrs to 0000hrs

The applicant has provided some control measures to address the licensing objectives but having read through these some would be difficult to enforce as conditions in their current format. Police also have concerns that the conditions offered are minimal and do not fully address the licensing objectives in particular that of prevention of crime and disorder.

It should be noted that the Home office guidance issued under Sec 182 of the licensing Act 2003 'General principles' state that it is important in setting the parameters within which the premises may operate. Conditions must be precise and enforceable.

Police would ask the applicant to consider the below wording of control measures and some further conditions that would assist in addressing the licensing objectives

1. A CCTV system shall be installed and maintained in full working order. The CCTV system will record footage of evidential quality in all lighting conditions and should be able to capture a clear facial image of all persons that enter the venue. All public areas will be covered by the CCTV system including the frontage of the premises. [REDACTED]
2. That all CCTV footage shall be kept for a period of thirty one (31) days and shall be made immediately available to Police and authorised council officers. [REDACTED]
3. At least one member of staff should be on duty at all times the premises is open that is trained in the use of the CCTV and able to view and download images to a removable device on request of police or council officers.
4. That clearly legible signage shall be prominently displayed where it can easily be seen and read by customers advising to the effect that CCTV is in operation at the premises. The signage shall be kept free from obstructions at all times.
5. That all relevant staff shall be trained in their responsibilities under the Licensing Act 2003, the promotion of the licensing objectives and the terms and conditions of this licence. Records pertaining to such training ('the staff training logs') shall be kept at the premises, shall be updated every 6 months and shall be made immediately available to responsible authority officers on request. The training logs shall include the trainee's name (in block capitals), the trainer's name (in block capitals), the date(s) of training and a declaration that the training has been received and understood by the trainee. If the staff training logs are a paper hardcopy then the signature of the trainee, the signature of the trainer shall be included. That all Digital records of training and/or logs shall be made immediately available to Police and authorised council officers
6. That a written record of all staff authorised to sell alcohol at the premises shall be kept at the premises and will be made available to responsible authority officers immediately on request. The authorisation record shall include the name and address of the premises, the name of the licensee, the name of the DPS and the names, addresses and dates of birth of all staff authorised to sell alcohol at the premises.
7. That no beers / ciders with an alcohol by volume (ABV) of above 7.5% will be displayed, sold or offered for sale at the premises.
8. That alcohol will not be stored or displayed less than two (2) meters away from the premises entrance unless stored behind the staff counter.
9. All off sales shall be made in sealed containers for consumption away from the premises.

10. A notice will be displayed in a prominent position at the exit of the premises, asking customers to respect nearby residents and to leave quietly, not to loiter outside the premises and not to drink alcohol products in the street.

11. An incident log shall be kept at the premises to record details of any of the following occurrences at the premises: a. Instances of anti-social or disorderly behaviour b. Calls to the police or other emergency services c. Any malfunction in respect of the CCTV system d. All crimes reported by customers, or observed by staff at the premises. The incident log shall be made available for inspection by Police and authorised council officers on request.

Police object to the granting of this licence as the control measures offered in their current format do not address the licensing objectives in particular that of prevention of crime and disorder. Police welcome the opportunity to open dialogue with applicant to progress this application.

Yours faithfully,
